There are Many Other Giving Opportunities:

CHAI CAMPAIGN AND BUILDING MAINTENANCE FUND

Our annual Chai Campaign and Building Maintenance Fund is earmarked to help bring down our NHC mortgage, reduce our accrued deficit, and help establish reserves to cover us in the event of unanticipated expenses that, invariably, we are faced with when we least expect them. If you are not currently a part of this important capital campaign, we encourage you to make a pledge. Contributions are welcome in any amount you are comfortable with, regardless of whether it is \$100 (or less), \$1,000 or \$10,000 (or more).

As a part of our Chai Campaign, we frequently have congregants who generously offer to “match” the amount of contributions made by other congregants and friends. If you wish to offer a full or partial “match” of contributions we receive under the Chai Campaign, please let us know of your interest, and we will immediately get back to you to discuss further.
