

Be an NHC Kiddush Supporter!

We are simplifying our popular Kiddush “Supporter” program.

For major lifecycle events, where you will be bringing in additional congregants, family and friends to our Saturday morning Shabbat Service, we encourage you to be a full NHC Kiddush “Sponsor”.

However, for smaller family milestones and events, where you will not be bringing in a large number of guests, we offer you the opportunity to be an NHC Congregational Kiddush “Supporter”.

As a Kiddush “Supporter, you help us defray the cost of the week’s Kiddush, while having your name recognized from the Bimah.

- ✓ At the \$36 level, you will be recognized as supporter of the week’s Kiddush
- ✓ At the \$180 level, in addition to being recognized, a cheese platter and crudité plate will be added to the week’s Kiddush
- ✓ At the \$360 level, in addition to being recognized, hot coffee and tea (with waitress) along with cake will be added to the Kiddush

There may be more than one \$36 level Supporter, and this level is available on all Shabbats (including when there is a fully sponsored Kiddush).

There may only be one \$180 level Supporter and one \$360 level Supporter on Shabbat, and this level is available only when there is not a fully sponsored Kiddush.

If there is another support option you would like to consider, to help enhance the weekly Kiddush and defray its cost, please let us know. We are happy to discuss it with you.

Please allow a minimum 10 day lead time for any of these Kiddush enhancements.

For more information, or to be included as a Kiddush Supporter for an upcoming Shabbat, please contact Cynthia in Catering (catering@nanuethc.org) or call the NHC Office at (845) 708-9181.

We thank you in advance.
