Nanuet Hebrew Center is recognized as one of the first synagogues in the NY Metropolitan Area to replace its traditional membership dues with a "self-directed" voluntary commitment pledge structure. After three years in place, we couldn't be more pleased. The new pledge structure has enabled our congregation to become more of an extended family, and has made our community feel more engaged, regardless of financial or personal situations. What began as a necessity for survival is now a source of community pride. With more families choosing not to affiliate for financial reasons we have made it more affordable for them to become part of our family.

We are much more, than our innovative approach to dues. As stated on our website: We are a multi-generational egalitarian Conservative Jewish Center. We are affiliated with the United Synagogue of Conservative Judaism and the Jewish Federation of Rockland County. We are part of the Big Tent Judaism/Jewish Outreach Coalition. We are open and inclusive to all, the unaffiliated, intermarried families, and the LGBTQ community. Our religious school offers an innovative curriculum from kindergarten through Bar/Bat Mitzvah age. We have an energetic USY and Kadima Youth Groups, as well as an ATID Hebrew High program. We take pride in our adult education, and newly formed Hazak seniors group. Our weeknight and Sunday morning minyans are growing in numbers. To watch us flourish is a joy.

We knew that changing our dues model may become a challenge. The biggest challenge was the elimination of our building fund obligation. Our hope was that an increase in membership, would increase our revenue and in turn off-set the need for a building fund. Today we are covering our operating expenses with our revenue stream. However, as our building is aging, we are finding the need to build a reserve of capital to maintain our home. It is because of this that I am asking everyone to consider contributing to our capital campaign as your "end of the year" donation. Listed below are areas in which we need additional funding. Our goal is to raise \$100,000. Please consider our need to address these projects, and give generously.

- Replacement of aging HVAC units
- Repair and replacement of parking lot lighting
- Repair of an aging roof
- Replacement of front walkway, ramp, and sidewalk concrete
- Repaving the parking lot
- Upgrade of office computers
- Replacement of lights with energy efficient lights
