Honoring

The Past & Current
Presidents of the
Nanuet Hebrew Center's
Men's Club

February 12, 2019

Dear Friend,

Stanley Blumenthal Community Service

Award

People to People

Two years ago, the Nanuet Hebrew Center had the privilege to honor a multitude of deserving individuals who contributed to our success, and kept our synagogue running through their dedication and hard work, the presidents of the Nanuet Hebrew Center Sisterhood, past and present. As always, it is important to acknowledge those who make NHC what it is. In keeping with this philosophy, it is our privilege, this year, to honor another group of people who have given tirelessly to NHC's success, the presidents of the Nanuet Hebrew Center Men's Club, past and present. Please see the complete list on the reverse side.

We are also pleased to present our ninth annual Stanley Blumenthal Community Service Award to Diane Serratore - People to People. For thirty years, People to People's mission has been to help our neighbors through difficult times with dignity. People to People's work is responsive in nature and, while the bulk of their programs are aimed at eradicating hunger in our community, they endeavor to help the whole person, not just feed them, through programs which help families and individuals back on the road to self-sufficiency. People to People's program nourishes literally thousands of individuals living in need in Rockland County each year, providing hope to those without it.
