Dear Congregant,

The Nanuet Hebrew Center would love to stay in touch with your children as they move on to the next phase of their lives as young adults. It's important they know that they are still part of our Nanuet Hebrew Center family, even as they go off to college, or pursue their other post high school interests.

Therefore, I would like to send the synagogue bulletin, holiday packages, and other congregational mailings to our young congregants who are of college age. We hope that this will help to remind them that they always have a home at Nanuet Hebrew Center – and a connection to their Jewish heritage.

In addition, we'd like them to continue their synagogue affiliation.

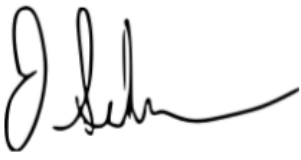

There is no cost for a young adult affiliation for your children up through age 21; and while we encourage those over the age of 21 to affiliate as full congregants, even if they wish to continue as young adult congregants through your family affiliation, we consider them an important part of NHC.

In order to do this, we need your help in keeping us updated as to how to reach them.

To ensure that no one is left out, please fill out the application on the reverse side of this letter for each eligible young adult in your household, making sure to include their college or other current address.

Please return this form to the Nanuet Hebrew Center Office no later than August 15. We need this completed application (and, as appropriate, voluntary contribution) so that we can distribute High Holiday tickets for our young adult members in a timely manner and include them in our synagogue mailings.

Very truly yours,

A handwritten signature in black ink, appearing to read 'J. Schragenheim', with a long, sweeping horizontal stroke extending to the right.
